This extraordinary, spellbinding tale of the dark side of marriage started out with an innocent personal ad. Follow Sue Sayles life: Jet-setting around the world with her multimillionaire husband, meeting famous people, actors, actresses, and golfing in some of the world's most beautiful locations. What looked to be a dream come true with her loving husband, turned into a nightmare reminiscent of a Hitchcock movie. Sue lived this fascinating story of desire, and love gone wrong, and writes about how her life was shattered, to the point she feared for her life. With inner strength she was able to extricate herself from the physical and emotional abuse brought on by this controlling, millionaire, husband, Ted.
